

NBS SPORT CONTROL ROOM

Two computers were too slow, unresponsive and take long to boot.

On 16th and 23th September, I Installed new windows on two play out machines in NBS sport control room respectively and they all working in perfect conditions

Maintenance

I conducted a maintenance of computers in NBS sport through clearing browsers, configuring startup programs, cleaning keyboards, mouse and computer units, blowing and dusting off, etc.

Below are some of the pictures taken while doing maintenance of computers in NBS Sport control room

All computers are working well expect one play out that its mouse is not working well.

The computer checklists will be sent in an email and provided in hard copy
